

## Tennessee Disability Coalition Discretionary Small Grants Program Grant Cycle Timeline

These dates serve as a general guide. Please refer to the Current Competition for the exact deadlines. Many organizations apply for grants each year and the overall amount of funding requested far exceeds our resources. Declined applications in no way reflect the worthiness of an organization's mission or programming and these groups are encouraged to apply again in future cycles.

### Spring Grant Cycle Timeline:

• Last week in February	Notice of funds availability
