

What to do at Disability Day on the Hill
Wednesday, February 28th, 2024
9am-2pm CT

- **The most important part of DDH is meeting with your legislators.** The Cordell Hull legislative office building is very large and the elevator very slow. Leave time to get to your meeting on-time (or early!) **Scan the QR code below for a toolkit that covers our priorities, and how to talk about them.**
- **When you are not meeting with your legislators, you can go watch a committee of legislators talk about bills they are considering voting on.** For example: the education committee may meet that day and talk about education bills. The schedule of committee hearings that day is posted on the TN General Assembly website at: capitol.tn.gov The TN Disability Coalition will also have copies at our exhibit table outside the “grab & go” eatery on the first floor of the Cordell Hull Building.
- **9:30am-10:30am CT – Advocacy Panel**
 - “From Idea to Policy Change” - Learn from disability advocates who have made policy change
 - Event will take place in the **Volunteer Conference Room on the 2nd Floor**
 - Seating is limited. First come, first serve.
- **11am-1pm CT – Lunch**
 - TN Disability Coalition will have a free boxed lunch and water available for pick up between 11am-1pm CT in the **Volunteer Conference Room on the 2nd Floor.**
 - These are first come, first serve.
- **Meeting with your peers who are also participating in DDH and talking about shared interests and their experience meeting with their legislators is another great thing to do on DDH.** If you would like to meet in a small conference room, visit the TN Disability Coalition Exhibit Table for directions to a room we have reserved.

DDH 2024 IS MADE POSSIBLE IN PART BY
